

**Water Use Global Policy****RECIPIENTS:** All JBS S.A. personnel, controlled companies and its unlisted subsidiaries.**1. PURPOSE**

To define the Company's commitments regarding water use.

2. SCOPE

All areas involved in the process and mentioned herein are responsible for complying with this policy.

3. GENERAL PROVISIONS

- 3.1. JBS is dedicated to the responsible stewardship of the natural resources required to produce our products and feed millions of families around the world;
- 3.2. Companywide, our approach to water stewardship is defined at the corporate level, but goals and targets are set by each facility to ensure ownership and accountability;
- 3.3. We work closely and collaboratively with federal, state and local municipalities to address complex issues and jointly develop solutions;
- 3.4. Every facility invests capital annually to make sure it stays in alignment with and committed to our Environmental Policy while appropriately addressing local challenges;
- 3.5. Water plays an important role in producing safe food. This necessitates its everyday use so we are meeting the highest food safety standards;
- 3.6. To ensure that our water conservation efforts do not interfere with food safety, we work cross-functionally with our environmental, engineering, operations and food quality and safety teams when designing and implementing these strategies.
